Terms and Conditions:

Keep a copy of your rebate form, Terms and Conditions and receipt for your records.

1. To be eligible for a rebate, residential and business customers must be in PECO's natural gas service territory. The equipment installed at the service address must qualify based on the program descriptions. A rebate form must be completed for each service address.
2. The program term is January 1, 2009 through December 31, 2009 or sooner if allocated funds are exhausted. Equipment purchases and installations prior to January 1, 2009 do not qualify for a rebate. Customers must provide a dated, paid receipt to be eligible for the rebate.
3. **Documentation must include the completed, signed rebate form and a dated, paid receipt that lists the contractor name, address, phone number, equipment make, complete model number, installation date and AFUE and/or EF.** The forms must be sent to PECO and postmarked by February 15, 2010 to be considered eligible for a rebate payment. Rebates are processed, generally, within 4-6 weeks of receipt of your rebate form. If your equipment is selected for verification, processing may take additional time. An incomplete rebate form cannot be processed. A PECO representative may contact a customer by phone or mail in order to complete the form.
4. Customer, if requested, agrees to grant PECO or a PECO representative access to the installation site to verify the installation of the equipment. If customer refuses a PECO request for access to verify installation, PECO has no obligation to provide the customer a rebate. PECO representatives may contact the equipment's installer to confirm equipment installation and/or customer to verify rebate form information.
5. Customer must have installed qualifying equipment. Equipment must be new.
6. Selection of qualifying equipment, manufacturer, dealer, supplier and/or installer and purchase, installation and ownership/maintenance of the qualifying equipment referenced in the rebate form are the responsibility of the customer. PECO does not endorse any specific manufacturers, dealers or contractors and makes no representations regarding specific manufacturers, dealers or contractors or their workmanship. PECO also makes no warranty for the use of the equipment. By participating in this program, customer agrees that PECO has no liability concerning the quality, safety and/or installation of the equipment, estimated energy savings of the equipment, workmanship of any third parties, installation or use of any equipment.
7. Customer is responsible for meeting program requirements and complying with state, county and city governments, property owners and/or homeowner's association requirements regarding restrictions, codes, ordinances, rules and regulations concerning the equipment installation.
8. PECO is not responsible for items lost or damaged in the mail.
