PECO. The future is on.

Call to see if you are eligible for a free, no-contact pickup.

At PECO, safety is our top priority. That's why we're conducting no-contact pickups until further notice. If your old, working unit is in a **garage**, an **outdoor covered porch** (first entry only) or an **outbuilding**, we'll pick it up. If not, please ask to be placed on our waiting list until in-home pickups resume.

Here's how to make sure you qualify for a \$75 rebate:

- Your unit must be in one of the above approved locations.
- Make sure your unit is plugged in and working at time of pickup.
- Your unit must be 10–30 cubic feet, empty and clean.
- Plan for adequate street parking in front of your home.**

▶ Call **1-888-5-PECO-SAVE** (1-888-573-2672) to schedule a free, no-contact pickup. Visit peco.com/recycling for pickup requirements.

*Funds are limited and subject to availability. Rebate amounts and this rebate program are subject to change, including termination, without prior notice. See peco.com/recycling for full terms and conditions.

**For your safety and ours, trucks will not enter your driveway, and we will not enter your home to pick up your unit.
