

# Using less energy makes a difference. Big time.

We're celebrating the thousands of businesses large and small—from industrial facilities to retailers, hotels to hospitals and schools to local governments—that have cut their energy use by making upgrades with PECO. Together, they've reduced energy use by **1,472,375 MWh** annually, equivalent\* to:

Planting  
**17,213,619**  
trees

Powering  
**120,128 homes**  
for a year

Taking **224,907**  
**passenger vehicles**  
off the road for a year

► Your business can save energy and money too. Learn how at [peco.com/biz](https://peco.com/biz).

# Is your business missing out?

Businesses like yours have taken advantage of more than **\$119 million** in financial incentives from PECO to make energy-saving improvements.

*“I got everything and more that I wanted in this project. It could have been very expensive, but PECO helped me do it!”*

– Dave Murray, President  
Murray Kia Motors

*“We saw immediate savings and our customers tell us how much they appreciate it. It’s a win-win.”*

– Michael Bucklin, Asset Manager  
Landhope Farms

*“Some shops can seem dark and dreary due to inadequate lighting. Our workspace is not only brighter, but also safer.”*

– Michael Pio, Vice President  
LIMA Precision

▶ Plan ahead now. Incentives expire May 15, 2021.
