

We're making monthly payments more affordable

Introducing CAP-PIPP (Percentage of Income Payment Plan)

SCAN ME

As of December 2022, PECO's CAP program will be even simpler and more affordable.

Instead of a monthly credit to CAP customers' bills, CAP-PIPP provides eligible* customers with a fixed monthly PECO bill.

With the new CAP-PIPP, customers simply pay a percentage of their total household income as their monthly PECO bill.

For first time CAP-PIPP enrollees, the total past-due balance may be forgiven, allowing customers to start fresh with a bill they can afford.

For more information, visit peco.com/help or call **1-800-774-7040**.

*Eligibility guidelines are the same CAP and LIHEAP—150% FPL.
