

Natural Gas Safety is Job #1

PECO is committed to maintaining a safe and reliable natural gas system.

This little guy has an odor to protect itself.

PECO injects odorant into its natural gas to give it a distinctive, rotten-egg odor.

If you suspect a leak or smell gas inside or out, leave the area immediately. Then call PECO's emergency line from a safe location.

Don't use matches or turn anything on, including cell phones. Even homes not using natural gas can experience gas leaks from outdoor equipment.

To report a natural gas leak, call 1-800-841-4141.

The comforts of everyday life are powered by PECO

The click of the stove, the pitter-patter of a hot shower... it's what makes a home comfortable. All day, every day, PECO is committed to making sure customers enjoy that comfort safely by investing in and updating our natural gas systems. Our customers might not be able to see us, but they can feel PECO's energy each and every day. Part of every home, and part of the community, that's PECO's commitment to every customer's safety and ease. That's comfort—powered by PECO.

When you donate to customers in need, every dollar counts, twice.

Every dollar you donate to **PECO's Matching Energy Assistance Fund (MEAF)** is matched 100 percent by PECO and given directly to customers in need. These funds are used to provide a one-time grant to qualifying customers who suffer a catastrophic loss of income.

Make a one-time donation or donate through your PECO bill each month. Every dollar counts, and any amount can make a difference. Visit peco.com/MEAF to sign up and manage your contributions.

Call **1-800-403-6806** to find out if your household qualifies for MEAF assistance.

Pack your PECO.

Start, stop or move your energy service to your new home with PECO's simple online tool.

Whether you're a new customer, an existing customer transferring service to a new address, or moving out of the PECO service territory—PECO will remotely connect and disconnect service.
