SHARE THE WARMTH

We've all been affected by COVID-19—some more than others. When you donate to **PECO's Matching Energy Assistance Fund (MEAF)**, every dollar is matched 100 percent by PECO and given directly to customers in need.

Make a one-time donation or donate through your PECO bill each month. Every dollar counts, and any amount can make a difference. **Visit peco.com/MEAF** to sign up and manage your contributions. Call **1-800-403-6806** to find out if your household qualifies for MEAF assistance.

PECO GIFT of ENERGY

Perfect for any PECO customer, any time of year

Make a payment toward a friend or family member's PECO bill.

Your gift will appear on a future bill as a credit to the recipient's PECO account. We can provide you with a gift certificate—or we can send it on your behalf.

Call us at **1-800-597-9514** or visit peco.com/gift.

NATURAL GAS SAFETY: PROTECT YOUR GAS METER

Your gas meter is relatively weather-proof, but you can help ensure that it keeps working smoothly. You can remove snow and ice from your gas meter with a broom or brush, but NEVER kick or try to chip snow or ice away with a hard object.

Keep shrubs away from your meter, so it can be accessed easily. Also, you should never wrap or box your meter with insulation, blankets or plastic. Gas meters require open air around them.
