PECO EXPANDS PAYMENT OPTIONS

We're committed to helping you through the COVID-19 crisis. Even during these uncertain times, we encourage customers to pay their PECO bills each month. We’ve introduced payment plans, grants for income qualified customers and referrals for additional services—all designed to help you avoid building a large balance and a future financial burden.

With PECO’s new, extended payment agreements, you can pay your balance over time. Residential customers can visit peco.com/billrelief to enroll in a 24-month agreement with no money down.

Do you have a home business account? Call us at 1-888-480-1533 to set up a 24-month payment agreement.

Customers financially impacted by COVID-19 may also be eligible for a LIHEAP grant up to $800! Check your eligibility at peco.com/LIHEAP.

Digging into some home improvement projects while social distancing?

Don’t hit a buried utility line and disrupt internet or other utility services to your whole neighborhood. Call 811 or go to www.paonecall.org before digging.
