3 EASY WAYS TO SAVE ENERGY THIS WINTER

1. Lower your thermostat at night or when you leave the house. Better yet, set it and forget it with a smart thermostat. Visit peco.com/marketplace for discounts and rebates.

2. Check your furnace filter every month and replace when it’s dirty.

3. Keep curtains open during the day to take advantage of heat from the sun.

HOW TO SHUT DOWN A SCAMMER

VERIFY THE PERSON YOU ARE INTERACTING WITH IS A REAL PECO EMPLOYEE

• A PECO employee will never ask you for a payment in cash or on a prepaid credit card.
• If a PECO employee calls you on the phone, they will have your account information when they call. If they don’t, hang up.
• Never open your door to someone you do not recognize. Ask for a photo ID through a window. If you are not comfortable with the ID, call PECO to confirm or to set up an appointment.

PROTECT YOUR PERSONAL INFORMATION

• Never give your banking or account information to someone by phone or by email unless you placed the call or made the order.
• Report suspicious activities to the police.
SHARE THE WARMTH

When you donate to PECO’s Matching Energy Assistance Fund (MEAF), every dollar is matched 100 percent by PECO and given directly to customers in need. Make a one-time donation or donate through your bill each month. Every dollar counts, and any amount can make a difference. Visit peco.com/MEAF to sign up and manage your contributions. Call 1-800-403-6806 to find out if your household qualifies for MEAF assistance.
