

ELECTRIC RATES TO CHANGE BEGINNING SEPTEMBER 1, 2019

Beginning with service provided September 1, 2019, changes will affect your monthly electric bill. For a residential customer using 700 kilowatt-hours (kWh) per month, the effect of these approved changes is a total increase of \$0.35 to the typical monthly bill, from \$102.32 to \$102.67, or 0.34%. The enclosed bill reflects these changes. Here are the details:

Generation Charges: The costs to purchase electricity are passed along to customers at exactly the prices that PECO pays. The generation charges for residential customers will increase by 0.051 cents to \$6.262 cents per kWh beginning September 1, 2019. The charge is \$43.83 per month for a typical residential customer using 700 kWh of electricity per month. The generation charges for small commercial customers will increase by 0.025 cents to \$5.947 cents per kWh. The charge is \$594.70 per month for a typical small commercial customer using 10,000 kWh of electricity per month.
