FUNDING COMMUNITY PARTNERSHIPS
WHERE WE LIVE AND WORK

At PECO, we believe in our community. We proudly invest in organizations that improve and enhance the neighborhoods where we live and work. That’s why we volunteer and provide more than $6 million each year to community and non-profit organizations across our region. We value the work of our PECO Partners and are proud to support them.

PROJECT H.O.M.E. Veterans Training and Employment (VTE) Program, a training and employment program for formerly homeless veterans, in partnership with the Exelon Foundation and PECO. Graduates are matched with a paid six-month internship to gain the work experience, positive identity and community connections necessary to re-enter the competitive job market.

NATURAL LANDS, GREEN REGION GRANT PROGRAM Recognizing that open space in our communities is crucial to the quality of our lives, this PECO-funded program awards grants of up to $10,000 to eligible municipalities and recreation authorities within PECO’s service area to support projects that preserve, protect, and improve green open spaces. Since its inception in 2004, more than $2 million has been awarded across the region for a wide range of open space projects.
