FUNDING COMMUNITY PARTNERSHIPS WHERE WE LIVE AND WORK

At PECO, we believe in our community. We proudly invest in organizations that improve and enhance the neighborhoods where we live and work. That’s why we volunteer and provide more than $6 million each year to community and non-profit organizations across our region. We value the work of our PECO Partners and are proud to support them.

PROJECT H.O.M.E. Veterans Training and Employment (VTE) Program is a training and employment program for formerly homeless veterans, in partnership with the Exelon Foundation and PECO. Graduates are matched with a paid six-month internship to gain the work experience, positive identity and community connections necessary to re-enter the competitive job market. www.projecthome.org

NATURAL LANDS, GREEN REGION GRANT PROGRAM Recognizing that open space in our communities is crucial to the quality of our lives, this PECO-funded program awards grants of up to $10,000 to eligible municipalities and recreation authorities within PECO’s service area to support projects that preserve, protect, and improve green open spaces. Since its inception in 2004, more than $2 million has been awarded across the region for a wide range of open space projects. www.natlands.org

PHILADELPHIA ACADEMIES, INC. This year, PECO celebrates 50 years as a founding partner of PAI, which aims to keep students engaged in school and prepare them for successful transitions to postsecondary education and employment. PAI helps students build critical hands-on, work-based STEAM (Science, Technology, Engineering, Art and Math) experiences. www.academiesinc.org

SHARE THE WARMTH

When you donate to PECO’s Matching Energy Assistance Fund (MEAF), every dollar is matched 100 percent by PECO and given directly to customers in need.

Make a one-time donation or donate through your bill each month. Every dollar counts, and any amount can make a difference.

Visit peco.com/MEAF to sign up and manage your contributions. Call 1-800-403-6806 to find out if your household qualifies for MEAF assistance.
UPGRADE YOUR HEATING AND COOLING SYSTEM NOW 
TAKE ADVANTAGE OF REBATES UP TO $1,530!* 

Don’t wait until your old equipment fails. Replace your heating and cooling system now and save even more with rebates from both PECO and the Electrical Association of Philadelphia (EAP). Check out qualifying system requirements and their corresponding rebates at \textit{peco.com/rebates} and \textit{eap.org/rebate}.**

To receive both rebates, just sign your contractor agreement by November 13, 2019, and have qualifying high-efficiency equipment installed by December 4, 2019.

*Based on a 3-ton air source heat pump. PECO rebate amounts are subject to change, and amount will vary based on equipment. Must apply for rebates within 90 days of purchase. See full terms and conditions, and apply at peco.com/rebates.

**To apply for EAP Rebates, customer must work with participating rebate program contractor. To locate a contractor, visit eap.org/rebate.html.
