ENVIRONMENTAL STEWARDSHIP

TAKING CARE OF NATURAL HABITATS IN OUR COMMUNITIES

PECO uses Integrated Vegetation Management practices to support native species and biodiversity in nearly one-third of our power line Rights of Way (ROWs).

As a result of these efforts, PECO has received 13 National Wildlife Federation (NWF) site certifications for our pollinator habitats, and five of our sites are Wildlife Habitat Council (WHC) Conservation Certified.

For more information on PECO’s commitment to environmental stewardship, visit peco.com/environment.
BRING THE WARMTH OUTSIDE WITH PECO NATURAL GAS

Spring is here … it’s a great time to bring the warm comfort of reliable, affordable natural gas outside. Create your own backyard oasis!

• Gather around a firepit with the flip of a switch
• Show your skill on the grill with clean burning natural gas
• Heat your pool or hot tub for less
