ENERGY SAVING SOLUTIONS FOR YOUR SMALL BUSINESS

Start planning today to achieve a bright future for your business!

Our team is continuing to work to help customers get savings back into their business with valuable energy-saving solutions. Businesses can join our priority list to be one of the first to schedule their complimentary energy analysis.

Once we can safely resume appointments, PECO representatives will discuss how businesses can get money back into their bottom line by taking advantage of these PECO solutions:

- A complimentary on-site energy analysis and proposal for upgrades*
- Energy savings that pay for your upgrades
- 0% financing on qualifying energy efficiency improvements**
- Post-evaluation warranty service**

Fill out the form at peco.com/SmallBizSave today to join our priority list!

* Offered once we can safely resume appointments
**Financing and warranties are through third-party administrators

At PECO, safety is our top priority.

While we are not scheduling any appointments at this time, you can join our priority list today. You’ll be among the first we contact to schedule once we can safely resume appointments. We apologize for any inconvenience.
POWERLINES DOWN?
Stay away, call PECO immediately

If you see a broken tree limb lying on a power line or likely to fall on a power line, do not touch it. Please report it by calling 1-800-841-4141. Always avoid tree limbs near power lines and do not make contact with the tree. If possible, notify neighbors to stay clear.

If you can safely observe the situation, please provide the following information when you call PECO:

• Is the injured tree or broken tree limb contacting a power line or could it potentially fall on a power line?

• Is the power line between two poles, or between a pole and a home or building?

• Are there any other potentially dangerous situations, such as proximity to schools, playgrounds, bodies of water or nearby wildlife/livestock?

COMMITTED TO COMMUNITY
#POWERINGTHRUTOGETHER

In response to the COVID-19 Pandemic, PECO and the Exelon Foundation have committed a total of $1.1 million toward coronavirus response and relief efforts across the Greater Philadelphia region.

This includes support for the Foundation for Delaware County, Montgomery County Foundation, United Way of Berks County, United Way of Bucks County, United Way of Chester County, and the United Way of Greater Philadelphia & Southern New Jersey, The Salvation Army of Greater Philadelphia, Manna, Project Home, Philabundance, MontCo Anti-Hunger Network, and Foundation for Delaware County.

To date, the Exelon Foundation, Exelon Corporation and its family of companies have pledged more than $5.7 million to national and local nonprofits in response to COVID-19.

In addition to PECO’s support of local relief organizations, the company temporarily suspended service disconnections and late payment charges. For customers who have been impacted by COVID-19 and have fallen behind on their PECO bill, we can help. Visit peco.com/help.
