

*October is*  
**National Energy  
Awareness Month**

## Join Us in Celebrating!

Now is the perfect time to save energy and money with PECO. Buy LEDs for your business and enjoy **instant discounts on us this October** in honor of National Energy Awareness Month.

- ▶ Find a participating distributor at [peco.com/InstantDiscounts](https://peco.com/InstantDiscounts).

**PECO. The future is on.**

An Exelon Company

# There's no better time for your business to work toward its energy efficiency goals—and LED lighting is a great place to start!

PECO makes saving easy with **instant discounts** at checkout—no paper application required. Plus, LEDs last 2–3 times longer than fluorescent bulbs, which means reduced energy use and maintenance costs, and more money to invest back in your business.

## Sample Discounts

- \$1 to \$6 on 2'–8' linear T8 fluorescent tube replacements
- \$15 to \$75 on high-bay, low-bay and exterior fixtures
- \$2 to \$6 on screw-in lamps
- \$5 to \$10 on recessed downlights or retrofit kits
- \$6 to \$10 on exit signs

*“See immediate savings in the process of ordinary maintenance.”*

*—David Director, Sustainability Committee Volunteer  
Wallingford-Swarthmore School District*

▶ See a list of participating distributors at [peco.com/InstantDiscounts](https://peco.com/InstantDiscounts).

Have your PECO account number or meter number with you when you inquire. New construction, residential, multifamily, assisted living/nursing homes and condominiums are not eligible. See website for all eligibility requirements.
