START, STOP OR MOVE YOUR SERVICE—ONLINE.

Just go to peco.com/moving. It is that easy.

START SERVICE

If you are new to PECO's service area, you can start service in your own name for the first time. Or if you are a current customer, you can add additional service at a new or existing address.

What you'll need:

- Your new address and date to start service
- New customers:** Your social security number (SSN) or your driver's license number
- Existing customers:** Your My Account sign-in information or phone number, PLUS either your SSN or your PECO account number

STOP SERVICE

If you won't need a PECO account where you're moving, you can schedule the date to stop service at your current address. Keep in mind service will be shut off as early as 8 a.m. on the date you request.

What you'll need:

- Your My Account sign-in information
- Your address and date to stop service
- A mailing address to receive your final bill

TRANSFER SERVICE

If you are an existing PECO customer looking to move your account to another address in our service area, you can handle the entire process online.

What you'll need:

- Your My Account sign-in information or phone number, PLUS either your SSN or your PECO account number
- Your current/old address and date to stop service
- Your new address and date to start service
