*I wanted to get the house assessed because in the winter this place is really cold and in the summer it is really hot.*

–Marilyn, Homeowner in Philadelphia

**PECO. The future is on.**

LED Night-Light

LED Bulb

Smart Power Strip

# JOIN YOUR NEIGHBORS IN SAVING ENERGY

Choose an **in-home** or **virtual** (via Wi-Fi-enabled smartphone) **Energy Assessment** and you'll receive:

**Professional advice from a PECO energy advisor**, who will show you where your home could be wasting energy.

**Free energy-saving products** such as LED bulbs and a smart power strip (up to \$125 value).\*

A **personalized report** with energy-saving recommendations that can save you up to 20% on electric costs annually.

All this and more is yours for **just \$49**—valued at \$150.

► Schedule your **in-home** or **virtual Energy Assessment** today at [peco.com/everyone-is-talking](https://peco.com/everyone-is-talking) or call **1-888-5-PECO-SAVE** (1-888-573-2672).

\*Limited supply per household and where applicable. Certain restrictions apply. You must be a PECO residential electric customer to participate. One Energy Assessment per year. This program is subject to change, including termination, without prior notice. Appointments are available Monday–Friday. Limited number of appointments available on Saturdays.
