

The Energy Assessment Your Neighbors Have Been Talking About

Find out what they're saying at peco.com/everyone-is-talking. Then schedule your virtual or in-home Energy Assessment today and start saving.

For just \$49, you'll receive:

- Professional advice from a PECO energy advisor.
- FREE energy-saving products such as LED bulbs (valued at up to \$125).*
- Personalized recommendations that can save you up to 20 percent on annual electric costs.

Visit peco.com/everyone-is-talking or call **1-888-5-PECO-SAVE** (1-888-573-2672) to schedule yours today.

*Limited supply per household and where applicable. Certain restrictions apply. You must be a PECO residential electric customer to participate. One Energy Assessment per year. This program is subject to change, including termination, without prior notice. Appointments are available Monday–Friday. Limited number of appointments available on Saturdays.

Cool, Heat and Save All Year.

Take advantage of PECO rebates on ENERGY STAR® certified cooling and heating equipment to lower energy costs and improve your year-round comfort.

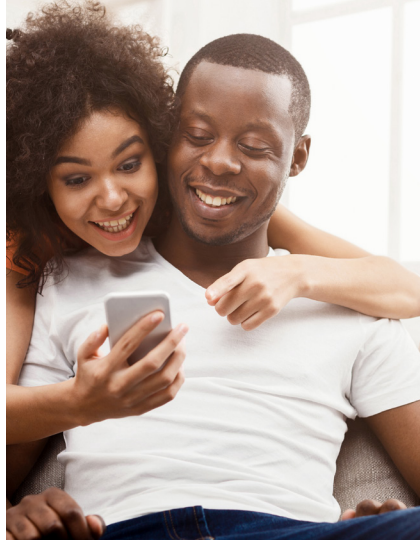

To apply, you'll need:

- Your PECO residential electric account number.
- Your contractor's invoice showing installation of qualifying ENERGY STAR equipment, installation date, model numbers for the complete system and proof of payment. Your contractor can provide the correct model/AHRI numbers.

Apply now at peco.com/hvacrebates or call **1-888-5-PECO-SAVE** (1-888-573-2672).

You must be a PECO residential electric customer to participate. Before you purchase, see if your equipment is eligible at peco.com/hvacrebates. Rebate offer good for installations completed after 5/31/2021. Must apply for rebates within 90 days of purchase. Gas only customers are not eligible.
